AN ACT relating to the Board of Pharmacy.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

1 Section 1. KRS 315.035 is amended to read as follows:

- 2 (1) No person shall operate a pharmacy without having first obtained a permit as
3 provided for in KRS Chapter 315. An application for a permit to operate a
4 pharmacy shall be made to the board upon forms provided by it and shall contain
5 such information as the board requires, which may include affirmative evidence of
6 ability to comply with such reasonable standards and rules and regulations as may
7 be prescribed by the board. Each application shall be accompanied by a reasonable
8 permit fee to be set by administrative regulation promulgated by the board pursuant
9 to KRS Chapter 13A, not to exceed two hundred fifty dollars (\$250).
- 10 (2) Upon receipt of an application of a permit to operate a pharmacy, accompanied by
11 the permit fee not to exceed two hundred fifty dollars (\$250), the board shall issue a
12 permit if the pharmacy meets the standards and requirements of KRS Chapter 315
13 and the rules and regulations of the board. The board shall refuse to renew any
14 permit to operate unless the pharmacy meets the standards and requirements of KRS
15 Chapter 315 and the rules and regulations of the board. The board shall act upon an
16 application for a permit to operate within thirty (30) days after the receipt thereof;
17 provided, however, that the board may issue a temporary permit to operate in any
18 instance where it considers additional time necessary for investigation and
19 consideration before taking final action upon the application. In such event, the
20 temporary permit shall be valid for a period of thirty (30) days, unless extended.
- 21 (3) A separate permit to operate shall be required for each pharmacy.
- 22 (4) Each permit to operate a pharmacy, unless sooner suspended or revoked, shall
23 expire on June 30 following its date of issuance and be renewable annually
24 thereafter upon proper application accompanied by such reasonable renewal fee as
25 may be set by administrative regulation of the board, not to exceed two hundred

fifty dollars (\$250) nor to increase more than twenty-five dollars (\$25) per year. An additional fee not to exceed the annual renewal fee may be assessed and set by administrative regulation as a delinquent renewal penalty for failure to renew by June 30~~[August 1]~~ of each year.

(5) Permits to operate shall be issued only for the premises and persons named in the application and shall not be transferable; provided however, that a buyer may operate the pharmacy under the permit of the seller pending a decision by the board of an application which shall be filed by the buyer with the board at least five (5) days prior to the date of sale.

(6) The board may promulgate rules and regulations to assure that proper equipment and reference material is on hand considering the nature of the pharmaceutical practice conducted at the particular pharmacy and to assure reasonable health and sanitation standards for areas within pharmacies which are not subject to health and sanitation standards promulgated by the Kentucky Cabinet for Health Services or a local health department.

Section 2. KRS 315.110 is amended to read as follows:

(1) Each license to practice pharmacy, unless sooner suspended or revoked, shall expire on February 28 following its date of issuance. Every pharmacist who desires to continue to practice pharmacy shall pay to the executive director of the board a reasonable renewal fee to be set by administrative regulation of the board, but not to exceed one hundred seventy-five dollars (\$175) annually or increase more than twenty-five dollars (\$25) per year, and shall file with the board an application in such form and containing such data as the board may require for renewal of the license.~~[The renewal fee and renewal period shall be set by administrative regulation of the board.]~~ A delinquent renewal penalty fee not to exceed the renewal fee may be assessed and set by administrative regulation for each renewal period the licensee fails to renew the license ~~[within thirty (30) days]~~ after

1 expiration.

2 (2) Every pharmacist shall keep his current certificate conspicuously displayed in his
3 primary place of practice.

4 (3) In addition to a current renewal certificate, each pharmacist shall be issued upon
5 renewal a pocket certificate which shall be in the licensee's possession at all times
6 when the licensee is engaged in the practice of pharmacy and which shall be
7 exhibited by the licensee upon request from any member, inspector or agent of the
8 board.

9 Section 3. KRS 315.120 is amended to read as follows:

10 (1) Within thirty (30) days after the renewal period, the executive director shall notify
11 all pharmacists who have failed to comply with license renewal requirements. {
12 ~~Failure to comply within sixty (60) days after notification shall result in automatic~~
13 ~~revocation of the license, unless the pharmacist is able to demonstrate by written~~
14 ~~petition at a hearing before the board that the failure to renew was not willful. The~~
15 ~~license holder shall be advised of this in the notification.~~}

16 (2) Any pharmacist who has failed to timely renew his license for any consecutive
17 period up to five (5) years may renew his license only upon satisfying the

27 license holder to use the term "pharmacist" but the license holder shall not be

1 permitted to engage in the practice of pharmacy. An inactive license holder may
2 apply for an active license as provided for by the regulations of the board. The
3 inactive license renewal fee shall be set by administrative regulation of the board,
